Skylon

Niagara Falls, Canada

VILLAGE SQUARE

Indoor Amusement Park
20 tickets good for all rides including the World's Largest Indoor Ferris Wheel

№ 4705

Skylon

Niagara Falls, Canada

The fun begins as you enter the doors of this modern, twenty-first century shopping, entertainment and dining complex. More than 40 stores offering international gifts and fashions from every corner of the world are located at the base of the building. There's also a turn-of-the-century Village Square with a carnival atmosphere, featuring the world's largest indoor Ferris Wheel and other rides for all ages.

Enjoy the smooth, comfortable ride to the top in one of the modern, glass-enclosed outside "yellow bug" elevators, a never-to-be-forgotten experience in itself. At the very top, the indoor-outdoor observation deck offers the most breathtaking view of the Falls, day or night.

There's also the world famous Revolving Dining Room. It's truly exciting dining in the finest tradition.

Whatever your mood or means, the Skylon has something for everyone. Niagara's most spectacular view . . . varied entertainment . . . excellent food . . . and shopping of all kinds.
